

Men's One Night Bourbon Open – February 5, 2024

Sixteen players showed up to play a one night tournament where the staff put all the names into a hat and teams were selected randomly. Diezel/Elander ended up in the quarter against Milnazik and Starkey; Ricciardi and Brucato against Komyati and Tangaray; Dhiraj and St. Cin against the lefty sorcery of Bruen and Picciano; and Albright and McDonald against Peifly and Mustion. The first round of note was the Kumar/St.Cin team falling just short against the wily leftys. Mitch and Tim took out Ricciardi and Brucato. Picciano and Bruen advanced against Butch and Jeff, and Mitch and Timmy had a little too much of this and a lot too much of that to be contained, taking the final and the bourbon, which the entire crowd cracked open right away so really everyone won. Dhiraj and Patrick blitzed their way to the back draw win.
