

Women's QUAD CUP – January 31, 2024

With six daytime teams and two nighttime teams, along with several partner league teams, Spring Brook now has a competitive team for every level. The Women's QUAD CUP is an in house competition that combined players from each of these teams into four evenly assembled quads that play a tournament against each other. The four player quads played 3 rounds, one with every other member of their team. After three rounds, the four teams with the most points advanced to the semi-finals. This year the teams were awesome.

- RED TEAM (Deb Strambi/Carolyn Cutillo/Susan McGahan/Beth Overzat)
- BLUE TEAM (Kim Elander/Patricia Buynak/Stacey Gallagher/Rachel Fleming)
- GREEN TEAM (Debra Bednarski/Heather Tahan/Nidhi Dhankhar/Marybeth Wooters)
- PURPLE TEAM (Lynn Martine/Lauren Schneider/Christianne McCarthy/Clare Fox)
- ORANGE TEAM (Kim Conyers/Prescille Cernosia/Jennifer Kraft/Anne McDonald)
- PINK TEAM (Steph DeLotto/Heather Whitmer/Carol Albright/Trish Frey)

After three rounds of play, four teams emerged into the semis: Blue v Purple and Pink v Orange. All teams narrowly escaped the Green and Red teams who battled each other in their last round. In the semis, the players got to choose which partnerships to strategically place against the other team, and the Blue team won over purple to get to the finals as did Pink over Orange. In the end, Steph and Trish partnered to play against Kim and Stacey, winning in a close one as did Whitmer and Albright in their match against Buynak and Fleming.
